

# HATS FOR HEADWAY DAY

**Friday 12th May 2017**

**Join in-make a difference!**

Headway Leicester provides support and services to local people living with acquired and traumatic brain injury. A brain injury can happen to anyone at any time with a hospital admission for brain injury every 90 seconds in the UK.

Action for Brain Injury Week is Monday 8th - Sunday 14th May 2017. Hats for Headway is on Friday 12th May 2017 and is a simple, fun, and easy way to raise money. Just wear a hat for the day.

The funnier, bigger and more outrageous the hat the better! Brighten up a dull Friday by wearing a silly hat and making a donation. Or simply make a donation!

Each year we run a competition for the best individual photo and the best corporate group photo. All you have to do to get involved is post a picture using #HatsForHeadwayLeicester on our Headway Leicester Leicestershire and Rutland Facebook page.

**You can donate** by going to our Just Giving site at
